

#### Sparsh Ambition + Gear Oil EP 90

Sparsh Ambition + Gear Oil provides excellent extreme pressure protection, load carrying capacity, improved shear stability, corrosion protection & excellent cold weather performance for smoother gear operation that contribution to better fuel economy.

Recommended for use in drive axies of passengers car & LCVs operating under a very wide range of temperature conditions and requiring the use of API GL-4 performance gear oil.

##### Benefits :

- » Superior lubricity ensuring
- » Smooth gear change.
- » Improved rust, corrosion and wear protection.
- » Good anti foam properties.

It meets American Petroleum Institute, U.S.A. Service Classification API GL4, US MIL-L-2105 and IS:1118-1957 specifications.

Pack Available in : 0.5, 1, 5, 20, 50, 210 Ltr.

#### Sparsh Ambition+ Gear Oil EP 75W90

Sparsh Ambition + Gear Oil is premium heavy duty multi-grade extreme pressure gear lubricant formulated using highly refined base stocks and selected high performance additives to meet API GL-5 performance requirements.

Recommended for **transmission gearboxes, steering boxes, hypoid rear axles, differential gears and other heavily loaded gears of automotive vehicles and hydraulic equipments in tractors.**

##### Benefits :

- » Superior lubricity ensuring
- » Smooth gear change.
- » Improved rust, corrosion and wear protection.
- » Good anti foam properties.

It meets American Petroleum Institute, U.S.A. Service Classification API GL5, US MIL-L-2105 and IS:1118-1957 specifications.

Pack Available in : 2.5, 3, 50, 210 Ltr.

#### Sparsh Ice + Concentrate 1:3 & 1:9 Coolant

Sparsh Ice+ Concentrate 1:3 & 1:9 Coolant is specially develop for to give maximum protection to your car against freezing, overheating, foaming & Corrosion. And it also provides excellent lubrication to all moving cooling system components, thereby adding years to engine life.

For 1:3 dilute 1 part of Sparsh Ice+ Concentrate coolant with 3 parts of Distilled Water.

For 1:9 dilute 1 part of Sparsh Ice+ Concentrate coolant with 9 parts of Distilled Water.

##### Benefits :

- » Excellent Engine Cooling with Superior Heat Absorption capability
- » Efficient Lubrication of the Water pump
- » Superior Corrosion and Rust Protection
- » Excellent Resistance to Fungus and Scaling

Sparsh Ice+ Concentrate 1:3 & 1:9 coolant is recommended for All trucks, Cars & Radiator base vehicles.

Sparsh Ice+ Concentrate 1:3 & 1:9 coolant exceeds the requirements of JIS-K-2234 Class II, IS : 5759

Pack Available in : 1, 3 Ltr.

#### Sparsh Platinum Semi Synth. 5W30 Engine Oil

SPARSH PLATINUM 5W30 is formulated with Semi-Synthetic high quality base oil in combination with innovative additive technology to provide outstanding characteristics and properties. Suitable for high performance engines, especially those fitted with turbo chargers and superchargers, operating under the most severe conditions. SPARSH PLATINUM 5W30 is a top-tier, environment friendly, Semi-Synthetic Technology oil designed to provide maximum engine protection for all

passenger cars, racing cars, vans, light trucks and 4WD recreational vehicles with exhaust treatment.

##### Benefits :

- » Longer oil life and lower oil consumption with outstanding protection against wear, rust, corrosion, soot handling and exceptional engine cleanliness.
- » Exceptional thermal stability and oxidation resistance.
- » Outstanding low temperature fluidity, excellent shear stability and stable viscosity during operation.
- » Multi-viscosity characteristic ensure rapid oil circulation on start-up the engine.

Pack Available in : 2.5, 3, 3.5, 50, 210 Ltr.

#### Sparsh Platinum Semi Synth. 5W40 Engine Oil

SPARSH PLATINUM 5W40 is formulated with Semi-Synthetic high quality base oil in combination with innovative additive technology to provide outstanding characteristics and properties. Suitable for high performance engines, especially those fitted with turbo chargers and superchargers, operating under the most severe conditions. SPARSH PLATINUM 5W40 is a top-tier, environment friendly, Semi-Synthetic Technology oil designed to provide maximum engine protection for all

passenger cars, racing cars, vans, light trucks and 4WD recreational vehicles with exhaust treatment.

##### Benefits :

- » Longer oil life and lower oil consumption with outstanding protection against wear, rust, corrosion, soot handling and exceptional engine cleanliness.
- » Exceptional thermal stability and oxidation resistance.
- » Outstanding low temperature fluidity, excellent shear stability and stable viscosity during operation.
- » Multi-viscosity characteristic ensure rapid oil circulation on start-up the engine.

Pack Available in : 2.5, 3, 3.5, 4, 50, 210 Ltr.

#### Our other Semi Synth. Products

- » Sparsh Platinum Semi Synth. 10W40 Engine Oil API-SL/CF
- » Sparsh Platinum Semi Synth. 15W40 Engine Oil API-CI4+/SL
- » Sparsh Platinum Semi Synth. 4T 20W40 Engine Oil API-SN/JASO-MB
- » Sparsh Platinum Semi Synth. 4T 10W40 Engine Oil API-SN/JASO-MB
- » Sparsh Platinum Semi Synth. 4T 10W30 Engine Oil API-SN/JASO-MB
- » Sparsh Platinum Semi Synth. 4T 15W50 Engine Oil API-SN/JASO-MA2

#### Sparsh Life + AP 3 Grease 100% Lithium base

Sparsh Life + AP 3 Grease 100% Lithium Base is Suitable for wheel bearings and hubs, universal joints, water pump bearings, steering and chassis parts of all types of automotive vehicles.

For use in **Telco, Mahindra, Ford, Fiat, Piaggio & Other leading Automobiles manufactures.**

##### Benefits :

- » Good thermal & structural stability.
- » Adhesive to metal parts, resistant to heavy loads & ensures protection against wear.
- » Good anti-rust, anti-corrosion & anti-oxidation properties.
- » Multi functional High temperature
- » Water resistant lithium based grease
- » NLGI3(Lithium based grease) Consistency.

Pack Available in : 0.5, 1, 2, 3, 5, 10, 18, 180 Kg.

#### Our other Products

- » LIFE + ATLR GREASE (LONG LIFE 40000)
- » LIFT + HYDRAULIC OIL 32/46/68
- » AMBITION + GEAR OIL EP 140
- » AMBITION + GEAR OIL EP 80W90
- » AMBITION + GEAR OIL EP 85W140
- » POWER + TQ ATF (TRANSMISSION FLUID)
- » ICE + RTU COOLANT (READY TO USE)

## A New TOUCH to Lubricating OIL

# Sparsh

## OUR PURPOSE

Continuous value creation for our mechanics, retailers, Sales representative, Team Leader, employees, customers, investors & vendors.

## OUR VISION

To grow as manufacturer of Premium Quality Automotive Lubricants.  
Our company is mainly focused on High Performance Technologies to give our customer full satisfaction.

## OUR MISSION

Build long term relationship by exceeding customer expectations through integrity, Teamwork & Innovations.

अपनी मंड़ील बनाते है ।

### Sparsh Bolt + 20W40 Engine Oil

Sparsh Bolt + 20W40 engine oil is recommended for use in all naturally aspirated and turbo charged diesel and petrol engines. Meets crank case lubrication requirements of most popular makes of **TRUCKS, JEEPS, CARS, LCVS, MPVS, TRACTORS, FISHING BOATS & GEN.SETS.**

Rapid oil circulation ensure easy start ups in cold weather conditions & protects engine against wear. High temperature stability increases engine life.

#### Benefits:

- » Extends oil change intervals.
- » Superior detergency & dispersancy properties keeps the engine clean.
- » Extra protection to engine against oxidation, corrosion & foaming effects.

It exceeds the requirements of American Petroleum Institute U.S.A. API CD/SF, CCMC D4/PD2/G4 & US MIL-L-2104D specifications. Upgraded to API CF 4.

Pack Available in : 0.5, 1, 1.2, 1.5, 2.5, 3, 3.5, 5, 7.5, 10, 20, 50, 210 Ltr.

### Sparsh Technic + 20W50 Engine Oil

Sparsh Technic + 20W50 engine oil is premium grade high performance **multipurpose engine oils for all light-duty new generation petrol/diesel engine. Made from high quality base stocks and selective additives.**

#### Benefits:

- » Outstanding engine cleanliness.
- » Excellent oxidation stability.
- » Longer Drain Period
- » Superior Corrosion and Rust Protection
- » Excellent Resistance to Fungus & Scaling

Sparsh Technic+ 20W50 oils are Proprietary brands and meet API CD/SF, MIL - L 46158B & E-PL2/E-DL1 at IS:13656. Upgraded upto API CE / SM.

### Sparsh Target + 15W40 Engine Oil

Sparsh Target + 15W40 engine oils suitable for all engines, Petrol & Diesel naturally aspirated or Turbo engines, It is also suitable for all types of turbo charged diesel gensets operating on H.S.D. Fuel.

Meets engine lubrication requirements of most popular makes of **TRUCKS, EARTH MOVING EQUIPMENTS, LCVS, MPVS, CARS, TRACTORS, JEEPS, FISHING BOATS & DIESEL GEN.SETS.**

#### Benefits:

- » Controls engine deposit.
- » High temperature stability and Low oil consumption.
- » Control of black sludge and reduces engine wear.
- » Easier cranking in cold water.
- » Internal engine cleanliness and longer engine life.

It conforms to the requirements of American Petroleum Institute U.S.A. API CF4 & API CI / SG, U.S.MIL-L-2104E 46152D, MACK EO-K/2, Volvo VDS, MB-228. 1 Service classifications. Upgraded to API CH 4 & API CI 4.

Pack Available in : 1, 1.5, 2.5, 3, 3.5, 4, 5, 7.5, 10, 15, 20, 50, 210 Ltr.

### Sparsh Mileage 4T 20W40 Bronze Engine Oil

Sparsh Mileage 4 Stroke Engine oil is a high performance mineral based lubricant specially formulated for 4 stroke motorcycle, either air or water cooled, running on both leaded and unleaded petrol. It gives excellent wear control, particularly of CAMS.

It is suitable for use in all 4-stroke motorbike & scooters manufactured by: **HERO, HONDA, BAJAJ, TVS, SUZUKI, YAMAHA ETC.**

Sparsh Mileage 4 Stroke Engine Oil ensures low oil consumption and improved mileage.

Conforms to Japanese Automotive Standards Organisation MA/FC Specifications. It exceeds American Petroleum Institute, U.S.A. Service classification API SJ. Upgraded to JASO MA2/FC and API SM.

Pack Available in : 0.9, 1, 20, 50, 210 Ltr.

### Sparsh Mileage 4T 20W40 Silver Engine Oil

Sparsh Mileage 4 Stroke Engine oil is a high performance mineral based lubricant specially formulated for 4 stroke motorcycle, either air or water cooled, running on both leaded and unleaded petrol. It gives excellent wear control, particularly of CAMS.

It is suitable for use in all 4-stroke motorbike & scooters manufactured by: **HERO, HONDA, BAJAJ, TVS, SUZUKI, YAMAHA ETC.**

Sparsh Mileage 4 Stroke Engine Oil ensures low oil consumption and improved mileage.

Conforms to Japanese Automotive Standards Organisation MA/FC Specifications. It exceeds American Petroleum Institute, U.S.A. Service classification API SL. Upgraded to JASO MA2/FC and API SM.

Pack Available in : 0.9, 1, 20, 50, 210 Ltr.

### Sparsh Mileage + 4T 20W40 Gold Engine Oil

Sparsh Mileage + 4 Stroke Engine oil is a high performance mineral based lubricant specially formulated for 4 stroke motorcycle, either air or water cooled, running on both leaded and unleaded petrol. It gives excellent wear control, particularly of CAMS.

It is suitable for use in all 4-stroke motorbike & scooters manufactured by: **HERO, HONDA, BAJAJ, TVS, SUZUKI, YAMAHA ETC.**

Sparsh Mileage + 4 Stroke Engine Oil ensures low oil consumption and improved mileage.

Conforms to Japanese Automotive Standards Organisation MA/FC Specifications. It exceeds American Petroleum Institute, U.S.A. Service classification API SM.

Pack Available in : 0.9, 1, 20, 50, 210 Ltr.

### Our other Products

- » **TECHNIC + 4T 20W50 - API-CE/SM**
- » **JUMP WELL + FORK OIL**

### Sparsh Mileage + 4T 10W30 Engine Oil

Sparsh Mileage + 4T 10W30 Engine oil is a high performance mineral based lubricant specially formulated for 4 stroke new generation all gearless scooters. It gives excellent wear control, particularly of CAMS.

Sparsh Mileage + 4T 10W30 Engine oil ensures low oil consumption and improved mileage.

It is suitable for use in all 4-stroke motorbike & scooters manufactured by: **HERO, HONDA, BAJAJ, TVS, SUZUKI, YAMAHA ETC.**

Conforms to Japanese Automotive Standards Organisation MA/FC Specifications. It exceeds American Petroleum Institute, U.S.A. Service classification API SM. Upgraded to JASO MA2.

Pack Available in : 0.8, 0.9, 1, 20, 50, 210 Ltr.

### Sparsh Revolution + 2T CNG Special Oil

Sparsh Revolution + 2T CNG Special oil is a premium oil developed for all two stroke engine vehicles like **Scooters, Mopeds, 2 stroke Motor Bikes, Autorickshaw etc.**

#### Benefits:

- » Excellent pickup & easy start.
- » Prevents Spark plug fouling.
- » Low smoke.
- » Longer engine life.

Exceeds low emission Japanese Automotive Standards Organisation FC Specifications. It exceeds American Petroleum Institute, U.S.A. Service classification API TC.

Pack Available in : 0.5, 1, 50, 210 Ltr.

### Sparsh Technic + 20W50 CNG Special Engine Oil

Sparsh Technic + CNG Special 20W50 is premium grade high performance multi purpose engine oils for Taxis, Cars, Auto Rickshaws (4-stroke) running on compressed Natural Gas (CNG) and Liquefied Petroleum Gas (LPG) dual fuel.

#### Benefits:

- » Fuel Saving Formula
- » High Temperature stability
- » Controls engine deposits
- » Internal engine cleanliness & longer engine life.

Higher oxidation and nitration resistance ensures longer drain with minimum Top-up requirements.

Unique formulation containing additives such as detergent dispersant, anti-wear, anti-rust and anti-oxidation ensures complete engine protection.

It conforms to the requirements of American Petroleum Institute U.S.A. API CF / SF.

Pack Available in : 1, 50, 210 Ltr.

### Our other Products

- » **GREEN REVO. + PUMP SET OIL (SAE 40)**
- » **INSTANT CONTROL + BREAK FLUID (DOT 3)**
